LB 539, 600A, 600

LB 539, final passage. Please record your vote aye or nay on final passage of 539. Have you all voted? Have you voted? Have you all voted? Record the vote.

CLERK: (Record vote read. See pages 2422 of the Legislative Journal.) 30 ayes, 18 nays, Mr. President, on passage of the bill without the emergency clause attached.

PRESIDENT: The majority of the members having voted in the affirmative, the bill is declared passed. Senator Nichol, Mr. Speaker. (Gavel.)

SPEAKER NICHOL: Mr. President, members of the Legislature, a point of personal privilege, please. In spite of what you have heard, or seen, or read, or heard over the news media, yesterday, when the Governor called me he did not say he was going to veto this bill. He did say that he wanted to look at it, and in case he should he offered to get it back in time so that whatever we wanted to do with it we could. This was not an announcement on my part to say that the Governor was or was not going to veto this bill. It was purely in the manner of cooperation that he did this, and I wanted to make that clear to the members of this Legislature that I was not trying to scoop him or anything yesterday. It was a gesture of cooperation with us that he did that. Thank you, Mr. President.

PRESIDENT: Thank you, Senator Nichol. The Clerk will proceed to read LB 600.

CLERK: (Read LB 600 on Final Reading.)

PRESIDENT: All provisions of law relative to procedure having been complied with, the question is, shall LB 600 pass? All those in favor vote aye, opposed vote nay. Have you all voted? Record the vote.

CLERK: (Read record vote. See page 2423 of the Legislative Journal.) 47 ayes, 1 nay, 1 excused and not voting, Mr. President.

PRESIDENT: A majority of the membership having voted in the affirmative, LB 600 is declared passed. Proceed to LB 600A.

CLERK: Mr. President, I have a motion on 600A. The first motion I have is by Senator Warner. Senator Warner would move to return 600A to Select File for purposes of striking the
